# A Letter from the Co-Chairs

Dear Friends,

We're delighted that you are here tonight to share Brockman's Eighth Annual FAB Auction.

As you all know, a tremendous amount of work went into putting together this event, starting last fall, when we volunteered to serve as co-chairs. While chairing an event is an honor, we couldn't have done it without an incredible supporting committee.

During the months of planning and preparation, we have been on the receiving end of so many good ideas, and have been buoyed by so much enthusiasm and good will among our fellow parents. In this program you will find a long list of those who contributed in various ways, including sponsorships, making donations to the raffles, silent auction, and live auction. However, we must single out a few by name:

- Paige Alexander, Jessica Daly, Tyler and Eliza Hudson, Beatrice King, Ashley Lindler, Lib Peebles, Sherry Phillips, Marie Ray and Michelle Thorvaldson for pounding the pavement for all of our great donations.
- Jennifer Duell for helping us "package" our items and heading check out.
- Amanda Thomas, who helped oversee the classroom projects.
- Ben Anderson and Chris Pregnall, who worked so hard on data entry.
- Claudia Baker of Letterbugz, who helped create our invitation.
- Tara Cecchini, for heading our ticket sales.
- Henning Liese, for his help with this program and tech support.
- Janet Elliott, for heading theme design and set-up.
- Finally, Lynn Robertson and Sarah Tison for their support and extra time they spent throughout the planning of this event.

Enjoy the event!

# AUCTION RULES AND REGULATIONS

## GENERAL RULES

Your personal bid number will be provided at Check-in. You must have a bid number in order to place a bid in the silent and live auction.

## ALL ITEMS ARE SOLD AS IS

Brockman Elementary School or FAB assumes no responsibility for the authenticity or condition of any item offered. Brockman Elementary School or FAB makes no warranty or guarantee except manufacturers' warranty. Values indicated for some items are estimates and are not warranted by Brockman Elementary School or FAB. All sales are final; items are sold as is. **No exchanges or refunds will be accepted!!**

By his/her purchase, the buyer waives any claims for liability against Brockman Elementary School, FAB or its donors. Brockman Elementary School or FAB are not responsible for any personal injuries or damages that may result from the use of property or services sold.

Brockman Elementary School or FAB reserves the right to withdraw any item at any time before the actual sale. The auction officials will act as final authorities on any bidding dispute.

**All certificates for items and services must be used before their expiration date!!! No exceptions!!!**

**Unless otherwise indicated, all certificates expire one year from date of auction.**

Auction items must be removed the evening of the auction unless other arrangements are made at check-out. Brockman Elementary School or FAB cannot be held liable for items that are not taken the night of the auction.

## PAYMENT AND MERCHANDISE PICK-UP

Payment by the successful bidder must be made in full before closing. Cash, checks made payable to Brockman FAB, Visa or MasterCard will be accepted. Although we will happily accept your credit cards, **please keep in mind that we pay a substantial fee to use their services and that is money that could go to FAB.** Bidders should pay for their items in the check-out area where they will receive their items and receipts.

## LIVE AUCTION RULES

1. The Live Auction will begin immediately after the silent auction closes and will continue until all items are sold.
2. To enter a bid, the bidder must raise his or her hand high enough to attract the attention of the auctioneer or one of the spotters, who will relay your bid to the auctioneer.
3. The auctioneer reserves the right to announce conditions of a sale at any time. In the event of a dispute, the auctioneer will have sole and final discretion in these matters.
4. If the auctioneer determines that an opening bid is not commensurate with the value of the items offered, he may reject the bid and withdraw the item from sale; and if, having acknowledged an opening bid, he decides that an increase thereafter is not of sufficient amount, he may reject the increase. The auctioneer retains the right to add or delete any item.

## SILENT AUCTION RULES

1. Silent Auction areas will be open at 7:00pm and bidding can begin at that time. The silent auction will begin closing promptly at 8:15pm with the final section closing at 9:15pm.
2. Each item will have its own bidding sheet.
3. Your bid number must be legible. If the spotters are unable to read your number, the next highest bid will be declared the winner.
4. Enter your bid number on the next available blank line on the bid sheet. Please notice that there will be minimum bids and minimum raises on the bid sheets for the silent items that have been preprinted for your convenience. If you want to raise your bid more than the next preprinted amount, just draw a line through the spaces and put your bid number on the line with the preprinted amount that you are willing to pay for that item.
5. After the silent auction closes, the bid on the bid sheet with the highest dollar amount will be highlighted or circled and initialed by the volunteer staffing that section on the night of the auction.
6. Bids placed after the bidding is closed will be disqualified.
7. After closing, bid sheets will be collected and taken to the check-out cashiers.
8. **Check-out will open at 10:00pm after all bids have been tallied. No one will be permitted in the check-out area until 10:00pm. NOTE: Some items are received after catalog publication. An addendum will be available at the check-in table.**

**Casual Living bench**

The "Classic" bench (48.5"L x 26.5"D x 35"H) is inspired by the English garden: classic and elegant. Its simple lines create a timeless piece that is at home in any outdoor area. Handcrafted of shorea wood, this bench will naturally develop a warm gray color from exposure to the elements. Applying a quality teak protector seasonally will help slow the graying process and enhance the natural wood color.
